Our Story

• The year 1940-41 at New Trier has been outstanding in progress and accomplishment and rich in memorable events. It has been our aim to have the form and content of your Echoes of 1941 reflect this progressive spirit and to highlight the activities, undertakings and events of the year.

It is our sincere hope that you may find this volume a treasure of memories of our great school and of a happy, eventful year.

The Administration of New Trier

● The New Trier students owe the administration and the Board of Education a great deal of appreciation for improving the school facilities, and seeing that everything in the school runs smoothly and properly.

Matthew P. Gaffney, the superintendent, has been working diligently for the past ten years to achieve this. Through his efforts the school has attained the highest scholastic ratings in the country and has striven continuously to better relations between the faculty and the students. The list of people that have aided Mr. Gaffney to achieve this are: Miss E. E. Packer, Assistant superin-

Mr. Ballman, president, Mrs. Aldrich, Mr. Barnett, Mr. Peterson, and Mr. Putnam, of the Board of Education, have all worked hard to accomplish their numerous duties. It is their task to see that all school affairs and activities function properly.

This group has done splendid work in coordinating these activities and maintaining the high status for which the school is noted.

Mathematics

- The Math Department attempts to teach students to think clearly and to master the various subjects it teaches. Special new courses for the students who find Mathematics a bit difficult and for the faster students are given. Math at New Trier ranges from General Mathematics to College Algebra and Trigonometry.

Science

- The list of unusual things done in the Science Department this year includes the celebration of Apple Week by Mr. Condon's classes in cooperation with the Art and Home Economics departments; the extensive study of deficiency diets on the health and reactions of white rats; and the "renaissance" the entire greenhouse underwent this spring, which filled the place with countless seedlings and cuttings. During this summer and fall these plants will be doing their part in making the world a "better place in which to live."

Art

- Some of the outstanding activities this year in the Art Department have been the making of colored slides and the use of our new kodachrome equipment by Mr. Holland, the entry of six murals in The American Magazine Youth Forum Contest, and an interesting integrated art exhibition.

This year the Art Department has sponsored about twenty art exhibitions. A one-man show of paintings by Julio de Diego was probably the most outstanding of the shows.

The outstanding mural project for the year is the painting of an Indian mural, and the designing of a mural for the natatorium.

English

• As language is vital to daily life, English plays an important role in the New Trier curriculum. The growing realization of this importance is perhaps the most significant development of the last few years in the department and the school. This tendency to look upon English as the center around which a more highly integrated curriculum would be built has resulted in the introduction of many new units and courses in which English and other subjects, such as Music, Art, History and Science are correlated.

Industrial Arts

• The Industrial Arts Department includes in its curricula, courses in mechanical and architectural drawings; and wood, auto, and machine shop. The emphasis in this department is placed on giving the students information which will enable them to judge products more wisely, and not necessarily on developing various skills.

Social Studies

- The Social Studies Department of New Trier offers the student a great variety of courses, ranging from ancient through to modern history. It also includes history of Latin America, Sociology, Civics, and Geography, so there is certain to be some course interesting to each student. Two years of social studies are required for graduation.

Cafeteria

- The Cafeteria under Miss Robson daily provides the school with excellent food. She is assisted by a large staff of cooks.

Dramatics

- The Dramatics Department produced three large plays this year, which were very successful.

Commerce

- The Commerce Department continued to give a good business education to students who wanted to learn to manage their personal finances. It also gave additional training to those planning a business career with or without college education. Store Practice IV was a success again this year.

Foreign Languages

• This year the Foreign Language Department has been active in many projects vitalizing classroom activities: plays, films on foreign life and customs, visits to the Mexican and other foreign quarters, and "Carmina," "Schreiberei," and "Le Flambeau," the departmental annuals. Participation in the State Latin Contest and the awarding of the Sentney French Scholarship complete the activities.

Library

• The Library serves the school by providing reading and reference material. The book collection consists of approximately 14,000 volumes and there are about 6,000 pamphlets and clippings.

Music

• The Music Department under the leadership of "Mama" Cotton put on the Christmas Concert, an opera, and the Spring Concert.

Home Economics

• The Home Economics Department is for the express purpose of training students in the domestic arts. Cooking, clothing and interior decorating are among the courses offered.

Boys' Physical Education

• Health, physical efficiency and fun are main objectives of the Department of Physical Education. There are many others. The program includes setting up exercises, gymnastics and training for nearly all sports.

Girls' Physical Education

- The keynote of Girls' Physical Education for 1940-41 was the relationship between activity and democratic living. The trend has been toward coordination of the physical education program with the school curriculum and the inclusion of more co-educational activities.

Office Staff

- The precision and efficiency with which the school is operated would be seriously impaired were it not for the Office Staff. Many responsibilities are carried by this small, but capable staff.

Girls' Office Staff

- Annually Miss Maloney obtains volunteers from among the senior girls to assist in the registrar's office at the counter and in the front office. Twenty girls are selected from the list and assigned one period per day.

Visual Education Staff

- Sponsorship and technical supervision of the Student Visual Education Service Staff is centered in the registrar's office. Delegation of authority and responsibility for this work has been placed in the hands of Mr. Charles Gibson who is assisted by seven New Trier boys.

• This was the second year the New Trier Student Council has functioned under the new organization. Daily meetings alleviate the problem of finding time for discussion and also give the committee more opportunity for work. Eight members of each class are chosen by their classmates and with the committee chairmen and the officers make up the student council. However, much of the work could not have been accomplished had it not been for the assistance lent by members of the student body.

The Career Guidance Exposition was ably handled by the Publicity Committee. This was the first exposition ever given, and it was a huge success. About thirty-five different careers were represented.

The new contact plan of the Publicity committee drew much attention. Its purpose was to have more contact between the students and Council through forums, bulletins, and assemblies. Progress was made this year by the Study Hall committee, also, in the form of student supervised study halls.

Council again cooperated with Skokie School and the municipal authorities on the problem of pilfering and also on that of bicycle riding.

John Ball was president, Dick Fuller vice-president, Sue Weese secretary, and Knowles Pittman treasurer. Bob Drucker and Tom Monahan were heads of the Publicity committee, Len Sosna and Phil DeBerard of Building and Grounds, Lincoln Lippincott of Assembly, Preston Aishton of the Study Hall, Bill Mizener and Nancy Farwell of Social, Bob Meyers of Inter-school Relations, and Knowles Pittman of Finance.

WRIGHT

• The girls of New Trier working with their able officers Anne Wuichet, Jean Putnam, Eleanor La Bonte, and Nancy Schipfer have had an unusually prosperous year.

The Financial Committee headed by Len Welborn has made it possible for the girls to add \$2000 to the Scholarship Fund. This was accomplished by the sale of hot dogs, magazines, and most important of all, the Bazaar.

Some of the very successful social functions planned by the Friendly and Social Committees with Frances Neilson and Barbara Bray as chairmen were the Freshman-Senior square dance, the tea for new upper-class girls, the Friendly Supper, the Senior Suppers, the Father and Daughter Banquet, and a tea for board mothers.

The Charity Committee headed by Catherine Loucks conducted the Thanksgiving and Christmas Drives and the Junior Red Cross Drive.

More than fifty girls found ways of earning money through the help of the Employment Committee with Vivette Thompson at its head.

Peg Wiltberger and the Arrangements Committee have done a fine job of caring for the Girls' Club unit. The Publicity Committee headed by Julia Craig publicized the Club's activities.

Altogether the girls and their Club have had a very successful and enjoyable year.

• The Tri-Ship Club was organized fifteen years ago to promote better Citizenship, Sportsmanship, and Fellowship throughout the school and community. It is now one of the most important organizations at New Trier. Besides the usual officers, four class chairmen were elected to bring closer contact between the officers and the students. The president was Charles Stillman, vice-president Bob Dodds, and secretary-treasurer Grant Ellis. The class managers were Ted Seiler, Junior Class chairman and also Publicity head; Don Royce, Sophomore Class chairman, and Maurice Dunn, Freshman chairman.

Again this year the Tri-Ship sponsored the all student produced and directed show, "Lagniappe." Under the direction of Bob Dodds, it was an outstanding success and helped to make a large scholarship fund. The club sponsored "Dads' Day," which was very well attended by the fathers and many old grads.

Under chairman Mike Hall, the student aid committee was very active this year providing financial aid for many needy students. They collected food, money and clothing for poor families in the com-

munity and in Chicago at Thanksgiving and Christmas time. The Tri-Ship also helped several deserving boys to go to college through scholarships.

Bob Ellis was chairman of the Interschool Relations; Curt Brown was in charge of the Club Room.

Under Bill Hubachek the dance committee provided the students with many excellent dances. The Dinner Chairman was Arnie Berlin. The Usher Corps under Johnny Brandt performed their duty very well at all school events needing their services.

One of the most valuable services rendered by students in New Trier is that of the members of the Traffic Squad. Fifteen boys are charged with the responsibility of maintaining safety in automobile traffic before and after school and during special events when large crowds are involved.

The faculty sponsors of the Tri-Ship are Mr. Frisbie and Mr. Gannaway.

- The Sports Club was organized by Mr. DeForrest Showley for the purpose of promoting intramural sports. The members of the club act as officials, and discuss protests and rule changes. From the Sports Club every year are chosen several I-M managers to aid Mr. Showley in directing the many intramural sports activities. This year three seniors were given this office; they were Howard Trienens, Bob Stordeur, and Bill Misch. The senior managers and their staff sacrifice every afternoon after school in managing the intramural games.

- The Manager Corps is an organization of all the unsung heroes of the various athletic teams about the school; they are the managers of these teams. One senior and two juniors are assigned to each of the five major sports, and under them are as many sophomore managers as are needed. They take care of all equipment and look after a multitude of details.

The purpose of the manager corps is to unite the managers and enable them to work together toward the improvement of the neglected activities in New Trier sports. Fred Gordon was their senior president.

• The Girls' Athletic Association promotes and creates an interest in sports and has also proved to be a successful prescription for all girls in furthering social contacts.

Introducing the officers: Betty Kletzien, President; Betsy Etterwind, Secretary; Phyllis Kaempfer, Treasurer; Frannie Bourland, Vice-President; Martha Stein, Intra-Mural Sports Chairman and the board to the freshmen and new girls was accomplished by an assembly early in the year.

Marjorie Rennacker, Publicity Chairman, led the many publicity projects. All sports officials worked under Mary Antha James. Two studio couches show the progress the Arrangements Committee made with Peg Brereton guiding in office redecoration. This committee also cooperated with Imogene Chancellor's Social Committee in the planning of the informal Mid-year Award Supper and the initiation banquet held at the end of the year, at which the new board and officers are announced, and initiates officially become members of G. A. A. after a ceremony the same afternoon.

New Trier Musical Organizations

• Another important year will go down in the history of New Trier Music. The musical productions of 1940-41 were among the finest that have ever been presented at New Trier. Over one thousand students participated in some phase of the productions.

The New Trier music department is famous throughout the country, but this year, it has set an even higher standard of musical excellence. All this has been accomplished through the conscientious efforts of Mrs. Cotton, affectionately termed "Mama" by the students, ably assisted by Mrs. Bradburn, Miss Anderson, Mrs. Schumacher, and Mr. Swigart.

The band, under the direction of Mr. Schumacher, though little publicized, plays at all the athletic events and assemblies throughout the school year. Its crowning performance is its annual concert given in the spring of the year.

On the fifteenth of December, the combined choral groups and orchestra presented the twenty-third annual Christmas concert in two performances in the afternoon and evening. The brilliance of the music was greatly enhanced by the background of appropriate scenery made by the Stage Crew, and by the efforts of the Light Crew.

Immediately after Christmas vacation, the Opera Groups began to work on Gilbert and Sullivan's "Gondoliers," which was presented on the fourth and fifth of April with

The Spring Concert was the last big appearance of the year for the vocal groups. It was given on May 16 in the Leslie F. Gates Gymnasium. The concert marked the end of a glorious year for the Choir, Opera Groups, Ensembles, Glee Clubs, Choruses and Orchestra.

The Senior Music club is composed of members selected for their musical skill at the beginning of the year by the executive committee of the club. The club is sponsored by Mrs. Cotton, head of the New Trier Music Department. There have been many interesting meetings held this year at which the members enjoyed playing for and listening to the members of the club.

The Junior Music Club is composed, for the most part, of freshmen and sophomores who enjoy playing an instrument or singing, and who like to hear their fellow students perform. Prospective members must perform before a try-out committee before they are elected to the club. All members are active and perform at least once a year. The club is sponsored by Mrs. Bradburn.

Musicale is a club for students who enjoy music. The club has built up a large collection of records and sponsored several concerts. Mrs. Kidd is the sponsor.

English Clubs

- The Gavel Club had a very successful year under sponsor MacLean, and presidents W. Dougherty and C. Allen.

- The Debate Team this year continued the truly amazing record compiled by New Trier debate teams other years.

In January the team took a wonderful trip into Indiana to meet some of the finest teams in the country in the La Porte Tournament. Out of the forty entries New Trier tied for third.

The New Trier Debate Team also made fine records in the State Tournament and the Metropolitan Debate League. Our frosh-soph showed great promise in winning the Elgin tournament.

Veteran varsity members on the affirmative include Seymour Stein, captain; Martin Appelbaum, and newcomer Tom Olin. On the negative Ward Dougherty, captain; Frank Salomon, and John Manson.

- Scriblerus is the advanced writing club of New Trier. Students must qualify for the club by writing some kind of composition, which is then read and judged by the faculty sponsors.

- The Journalism Club was organized for students who are interested in the journalistic form of writing. Two meetings are held during each six weeks grade period and at every other meeting a speaker, outstanding in some field of writing, is presented to the club. Trips to newspaper plants and book binders are also arranged.

- Under the competent sponsorship of Miss Wilson, Quill Club is maintained for freshmen talented in writing. The compositions of various members are read at each meeting.

Clubs

• The Radio Club is one of the oldest clubs in New Trier. This is its seventeenth year and it's still going strong. The club now includes eighteen members who are Federal licensed "hams" or amateurs, and the school itself has a station. Mr. Smith sponsors the club.

● The Lens Club is composed of some forty members who are interested in various phases of photography. This year the club heard several very worth while talks on table-top photography, composition, color, and the arts of developing and printing. The Lens Club has a new constitution this year and gave one of the most enjoyable of all Lens Club parties. The officers this year were: president, George Miller; vice-presidents, Nancy Rubel and Robert Cordts; secretary, Frances Kracha; and treasurer, John Allen.

● Any student sincerely interested in any phase of science is welcomed to the Science Club. The club, among other things, has field trips, special outside speakers, and many movies on various subjects connected with science. The club is divided into groups of members with the same particular interests, but the club acts as a whole in such matters as taking charge of the Science Museum and contributing to the Hobby Show.

Foreign Language Clubs

● One of New Trier's most popular clubs is the French Club, with an enrollment of over one hundred students. Under president Patty Wyman, vice-president Marge Oatis, secretary-treasurer Betty Jane Moulding, frequent and active meetings have been held. Lectures, skits in French, French singing, talks with colored slides by both members and outside speakers, not to mention refreshments at almost every meeting, are what make French Club so attractive.

Every year the club publishes a literary magazine, "Le Flambeau." It contains stories, jokes, poems, crossword puzzles, as well as art work composed by members of the French department. The entire book is in French. The president of the club, Patty Wyman, is also the editor of the magazine.

The sponsor of the club is Mrs. Brooks.

● Latin Club was started with the purpose of giving the same opportunities to the Latin students that were given to the members of other foreign language clubs. The customs and culture of old Rome were studied, and the meetings were conducted like the government of ancient Rome. "Consuls" are the heads of the club, "praetors," "aediles," and "augurs" organized the meetings; "tribunes" and "censors" looked after the members while the records were kept by a "scribe." The members adopted Roman names and the magistrates wore togas. Sponsors were Miss Breidenbach, Mrs. Cockrell, and Miss Paul.

Academic Clubs

• Service Club is composed of a selected group of Junior and Senior girls. There are usually between fifty and seventy-five in the group. They serve in the nurses' office two periods a week, treating minor bruises and ailments. This year the girls assisted in giving the tuberculin tests. Mrs. Schoenenberger is the sponsor, and Blossom Fisher the president of the club.

• Any student taking one or more business courses may become a member of the Commerce Club. The club's purpose is to promote educational and social activities among students in the Commerce Department. It helps the students to secure good positions and their advancement in the business world. The club also has an Honor Division, formed of students considered by the faculty to have exceptional ability in business subjects. Commerce Club is sponsored by Mr. Johnson and Miss Henningsen.

• The purpose of the Boys' Career Club was to assist its members in choosing their life work. At the meetings various speakers spoke on careers for boys, giving important information about each one. Donald Michael is president.

• The purpose of the Girls' Career Club was to stimulate interests in careers, and also give the girls an idea of the training and experience needed in given careers, and the opportunities open. Vivette Thompson is president.

Hobby Clubs

- The Rifle Club, open to boys and girls, is organized for the purpose of giving instruction and training to those who wish to learn to shoot. Supervised shooting and proper training in how to handle firearms insure the greatest degree of safety. The club is affiliated with the National Rifle Association, and members compete in N. R. A. competitions. Mr. Lehman is the faculty sponsor.

- One of our newer clubs, Badminton Club, was organized to encourage the boys and girls in coeducational games. As the name of the club implies the meetings of the club are spent in playing badminton, and enthusiastic players are given a chance to make the game a part of their school activities. Meetings are held every Sunday afternoon. Mr. Clader is the faculty sponsor.

● The main purpose of the Travel Club is to acquaint students with the countries of the world and to learn more about our own as well as the foreign nations. Both students and teachers tell of their various experiences while traveling, and several outside speakers have shown motion pictures and colored slides. Mr. Shearer is the faculty sponsor.

● The Public Address Corps has been of invaluable assistance to the school. This group of boys has taken charge of the Public Address System whenever it was needed. The boys are to be congratulated on their fine work. Mr. Smith is the sponsor.

Dramatics

• The past year's dramatic productions have been exceptionally good, both in the excellent selection of the plays and in the fine acting.

The season was opened with the presentation of Jean Webster's *Daddy Long-Legs*. This play of a poor orphan girl who was adopted by a rich father was very well portrayed.

VERSE CHOIR

First Row: Stange, Dalstrom, Murray, Warren, Olson, Burgert, Doderlein, Robertson, Weilbrenner.

Second Row: Miller, B., Miller, P., Meacham, McClelland, Kremm, Carlson, Ludgin, Bowen, Dunn.

Second Row: Stiles, Hallsteen, Lutter, Kimeor, Matson, Stein.

Third Row: Rockwell, Everson, Mathias, Garcia, Parke, Fox.

PROPS CREW

First Row: Odh, Kaempfer, Bray, Nelson.

Second Row: Tuttle, Smith, Rogers, Lukens, McEwan.

LIGHT CREW

Kahler, Steitz, Walworth.

The second play was *Death Takes A Holiday*, by Walter Ferris. The theme of the play is that Death, curious about life in this world, takes a holiday and visits the home of an Italian nobleman. The events following his entrance into the world of the living made a very exciting and highly dramatic play.

This year the seniors gave *The American Way*, by Kaufman and Hart, as their own play. It was one of the largest productions ever undertaken at New Trier with a cast of over one hundred and fifty. It had an extended and successful run of four nights. The story is of an immigrant family that comes to this country and becomes part of the American Way of life. The play takes you from 1891 up to the present times.

At intervals of three or four weeks an afternoon program of one-act plays is given by the Actor's Guild. Practically everyone who is interested in having an opportunity to appear in a play may do so. These plays were very popular with the students.

The officers of the Dramatic Club are as follows: President—Bob Dodds; Vice-President—Arnold Berlin; Secretary—Betty Miller; Publicity Chairman—Bill Kloefer; Program Chairman—Chuck Heston; and Social Chairman—Joan Engelhard.

The Stage, Light and Props Crews in their important contributions to the finished productions helped to make this past year a success.

The Inklings

● Traditions were broken right and left when the 1941 Inklings went to press. Due to an insufficient amount of material approaching Inkling's high standards there was no issue in December. But . . . when the 1941 issue did come out it was placed in New Trier archives as a worthy addition to the library of New Trier publications. Under the critical scrutiny of a smaller but more united staff passed a wealth of material. The choicest of this material went into a one-hundred page issue, packed full of stories, essays, poems and a fine assortment of illustrations.

Betty Oakhill and Don Michael, the editors, promised a superior issue to those of other years. This promise was fulfilled. Inklings came out bigger and better, with the same familiar cover, but more illustrations, capably handled by Tom Hoyne, master artist, and an increase in page space that made up for the loss of the December issue.

In the background, but none the less active, was Sponsor Peterson who gave generously of his time and counsel to make it the issue it turned out to be. Inklings of 1941 sets a high standard, thanks to the contributors, editors, staff and sponsor.

The News

• More than 130 students participated during the past school year in publishing the NEW TRIER NEWS. These students served as reporters, writers, typists, office assistants, photographers, and advertising solicitors. With the whole-hearted co-operation of both the business and editorial staff, the NEWS was able to produce a paper that excelled even last year's unusually fine publication.

The NEWS surpassed its former achievements in presenting to the school a more complete, concise, and accurate account of school activities and a more diversified line of features than had ever been attempted before. Early in the school year, under the capable leadership of Editor DeBerard, the NEWS adopted a new format, entirely revised and modernized. Throughout the year, constant changes and improvements were made in this new style.

With the elimination, to a large extent, of the use of cartoons, the Photography staff assumed considerably more importance. With Bob Cordts as Photography Editor, the staff as organized was one of the largest and best that the NEWS has ever had.

Again probably the most popular column of the season was Libby LaBonte's "My Days." "Tower Topics" made its

appearance later in the season and was widely read for its timely and pertinent content. An unusually well-received number of the NEWS was the second annual All-Girls' issue which was published immediately after Spring vacation. Frannie Kracha served as editor-in-chief for this special issue.

In January a News-sponsored Journalism class, meeting twice weekly after school, was formed to give interested students an opportunity to learn the technique of publishing a high school newspaper and to help organize a trained staff so that further improvements might be made in the future publication of the NEWS. The class was conducted by Editor De Berard with the assistance of Associate Editor Marshall McGuineas. All persons attending the class regularly were given actual assignments in gathering and writing news. During the spring months, the class was responsible for publishing two of the regular issues of the NEWS. An unusually large number of lower classmen took advantage of the training offered and will serve as an excellent nucleus for building the 1941-42 staff of the NEWS.

The Echoes

• Many new features are included in the 1941 Echoes under Robert Klagstad, editor-in-chief; Janey Dods, associate editor, and Bob Matson, business manager. With the aid and assistance of Mr. Waters and Mr. Holland, the two sponsors, this year's Echoes has grown. The picture of every student in the school, the different division pages, and the large candid shots all go to make a new, and we hope, a better yearbook.

The editorial staff consists of Assistant Editor Bill Carroll, Senior Section Editor Len Welborn; Photography Editor Bob Cordts; Circulation Manager Bill Riley; Boys' Sports Editor John Smart; Girls' Sports Editor Marge Rennacker; Art Editor Sheridan Crumlish; Publicity Editor Buzz French and Snapshot Editor Hayward Becker. The staff was one of the finest the Echoes has had in its 34 years.

of publication. The excellence of their various sections bears out this statement.

Without the aid of their staffs the editors could not possibly have met the difficult time schedule. The typing staff was of much help but unfortunately space does not permit personal recognition of individual members of the staff.

The aid and cooperation received from the Bernie Studio and Mr. Bernie in obtaining the excellent Senior pictures cannot be praised enough. The assistance of the Pontiac Engraving and Electrotpe Company which produced the excellent half tones and zines was of great help to the editorial staff. The Lloyd Hollister organization again demonstrated its skill in the excellent printing of another Echoes. Our thanks to all these people for their aid in making the Echoes a better book.

Varsity Football

● This year's team was much better than fourth place in the Suburban League would seem to indicate. There were nine lettermen on the team plus just as many more Varsity veterans.

The team started the season by winning their first three games. They were one of the few teams to defeat Amundsen, who won the North Section Championship in Chicago. They gained a 6-0 victory over Dubuque, the Mississippi Valley Champions. They won their opening Suburban League game by defeating Waukegan for the first time in three years.

In the fourth game of the season they lost a close, hard-fought game to Oak Park, 13-7. The next week they lost an even more heart-breaking

CURT BROWN

game to Highland Park, 6-0, for the game ended with New Trier's ball on the Parker's six-inch line. However the Trierites still had a chance for the Suburban League Championship, as Highland Park wasn't in the Suburban League. The big game came with the undefeated Proviso eleven. Although it was a close game from the start to finish, the Proviso Pirates came through in the last quarter to win, 6-0. On Dad's Day the team lost another close game to Morton, 13-6.

In the annual New Trier-Evanston game, held at Dyche Stadium, New Trier was in front 6-0 at the half. But Evanston came back with three consecutive touchdowns in the second half to win, 21-6. On Thanksgiving Day the team journeyed all the way to Moline, Illinois, to play Moline High School, the Northwest Conference Champions. Moline won this last game of the season, 14-0.

Coaches Aschenbach and Caton and their staff produced, as usual, a fine team. The outstanding linemen were Captain Brown, Ellis, Guy, Sullivan, Farmer, Benson, Meyers and Prins, who missed the last half of the season due to an arm injury. There were plenty of good backs this year, the most prominent of whom were Sinclair, Captain-elect Seiler, Lippincott, Warfield, Conners, Kennedy and Mitchell.

The signals were called by Meyers from end position. Most of the kicking was done by Warfield and Sullivan, who was All-Suburban tackle. Miller, Fuller and Warfield did most of the passing, with Meyers and Benson on the receiving end. Most of the points scored were brought about due to the team's splendid passing more than any of their opposing teams.

There will be at least seven returning lettermen to the lineup next year, and with a little better luck than this year's team had, they ought to go a long way.

• This year's Junior Varsity Football team, skillfully coached by Mr. Funkhouser, displayed a vast amount of potential strength which next year will make up the bulk of New Trier's Varsity squad. Although the purpose of a Junior Varsity squad is to furnish the Varsity with practice, this year's team went further than that and won more than several games. All during the season the team held practice scrimmages with the North Shore Country Day School of Winnetka, but the only full length games were played against our own Frosh-Soph team and the Junior Varsity squads of Oak Park, Evanston, and Northbrook High Schools. The Gray-Green gridders downed the Parkers twice: 7-6 and 13-6 but met defeat at the hands of the other teams. The Evanston eleven trimmed the J. V.'s 13-0, while Northbrook High and the Frosh-Soph won out by the scores of 6-0 and 18-0 respectively.

Frosh-Soph Football

● Although the records might not prove it, New Trier had a very able Frosh-Soph Football Team. They managed to score in every game, a feat few pony teams have ever accomplished. Injuries plagued the squad throughout the season and two or three regulars were usually out of action each week. The Ponies led Proviso, Waukegan, and the Championship Oak Park eleven, but due to weakness from injury they couldn't stay ahead. Near the end of the season the team reached its peak and as a result decisively defeated Morton and the J. V's.

There were many excellent players on this year's squad. Outstanding in the backfield were Capt. McNitt, the triple threat star and signal caller, Jefferis, the key blocker and high scorer, and Hasselberg, considered one of the league's best passers. Lauer, Ogden, MacFarland, Bowser, McIntyre, and Shannon also saw plenty of action behind the line.

Unfortunately New Trier lost five ends during the season. Heffernan, Dudley, Zehr, and Cahn were usually at the position. McShane, Cleary, Cohrs, and Neiween were at tackle while Capt.-elect Kritzer, Danner, Keeler, and Royce added strength and ability as guards. Harvey, another freshman, was the regular center while Richards was an able substitute.

There were four freshman lettermen so that next year's prospect is bright. The Frosh-Soph team showed extreme courage and fight in the face of injury and well deserves the praise that has been given it.

Varsity Basketball

• The Varsity Basketball Team had high hopes of going far during the 1940-41 season, and with five returning lettermen the outlook did indeed seem very bright. However, many injuries, bad breaks, and the lack of a consistent returning punch ruined all chances of a Suburban League title. The team subsequently finished in a fourth-place tie with Proviso. In as much as the second place team suffered four defeats, the Terriers were never out of the running, being vanquished only six times while winning the same number of games.

After the three practice games in which New Trier was victorious in two, the regular season began against Evanston. The Wildkits won a close decision over our cagers by the score of 26 to 23. In quick succession followed two stunning one-point defeats at the hands of Oak Park and Waukegan. In the last contest before the Christmas holidays the Terriers played their best game of the season, coming from behind to down Proviso in the last 30 seconds of play, 32 to 30.

The Grey-Green cagemen were definitely an in-and-out ball club for the rest of the season. Against Highland Park, Waukegan, Evanston, and Oak Park they looked particularly impressive, while at Morton and Proviso the Terriers couldn't hit their stride and were thoroughly trounced. Statistics show that the quintet outscored their opponents on an average of four points a game. The punch was there but just didn't come through on the right nights.

This however does not end the story. At the close of the regular season Coach Grater decided to enter his charges in the State Tourna-

The personnel of the 1940-41 squad was one of the best in recent years. Five of the team members were mentioned for All-Suburban Honors.

Co-Captains Smiley Cleveland and Chuck Stillman formed the nucleus of the team and the Terriers potential powers were built around them. New-comers Don Hamley, Bill Ellis and Bob Meyers rounded out the first string quintet while very able replacements were found in Pete Kreer, Bob Chew, and John Connely. Dick McGurk, Bob Clark and John Brandt also saw a good deal of service during the year.

Frosh-Soph Basketball

• The Frosh-Soph basketball squad did not have a very successful season as far as the won-lost record is concerned. They won only four games and finished sixth in the Suburban League with two victories and ten defeats. However, one glance at the records will show that most of the losses might just as easily have been wins. Mr. Ream's Ramblers played on even terms with nearly all of their foes, only to be nosed out in the final minutes or have their rally just fall short.

A first team was determined early in the season. Kent White, who developed an excellent set shot, was usually at a forward. Bill Marcus and Wilbur Hopp alternated at the other forward, Marcus serving some duty as a guard. John McNitt was at the pivot position and his hard fighting game was the chief factor of the Ponies' defense. "Moose" Dunne, a freshman, handled the back guard spot while Bruce Gatling served as floor guard and was the team's leading scorer. White, Hopp, and McNitt also contributed heavily to the point total.

A second team, Blackburn, Delaney, McIntyre, Titus, and Scully played a good part of the games in the latter half of the season. This quintet was the chief factor in the crushing Waukegan victory. Wallace, Campbell, and Townsend also saw action.

Frosh-Soph Swimming

• The Frosh-Soph swimming team of this year, under the helpfully critical eyes of Mr. Jackson and Bud Happ, pulled down an enviable record. In the Suburban League tests, the boys won five of their meets, dropping one to Morton. With this record they tied for the Suburban League Championship. Led by Co-Captains Graham Davis and Ray Wiese the team splashed home to victory also in the Suburban League meet, held at Evanston. In this meet they attained a score of more than twice that of their closest competitors.

Throughout the year, the fifty yard free style event was excellently taken care of by Sonny O'Brien, Leo Hadley and freshman Art Watson, O'Brien and Watson took first and third in the league meet respectively. The championship relay team composed of O'Brien, Wallace, Davis, and FlaHavhan set a new record in their event by covering the distance in one and five-tenths seconds less than the previous record. Co-Captain Wiese also pulled himself a Suburban League crown in the fifty yard backstroke, while Co-Captain Davis took a very close second in the seventy-five yard free style. Throughout the year the fifty yard breast stroke positions were held by Jack Mack, John Buchanan, and Chuck Hill. Our divers of this year, Robinson, Robertson, and Katz, made fine showings throughout the season.

Varsity Swimming

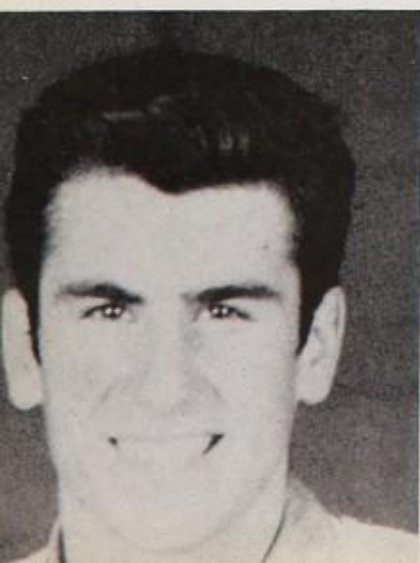

● Starting the season with none too bright an outlook, the New Trier coaches developed one of the strongest teams in the history of the school. They came through with one win after another to complete with a perfect undefeated season.

In the first four meets the swimmers splashed their way to easy victories over Schurz, Crane, Proviso, and Des Moines, Iowa. In the fifth meet the boys journeyed to Danville, Illinois and trounced the highly rated Maroons with a 42 to 24 score. The next week the Mermen took Morton with an almost identical score. During the mid-year weekend the swimmers were kept busy by winning three meets in the next four days against Waukegan, Maine and Rockford. Their next two victims were Highland Park and Oak Park. In the final dual meet of the year the Mermen clinched the league crown by literally swamping Evanston with a 54 to 12 score. This was their sixth consecutive Suburban League Championship.

The Mermen completed this great season with a grand climax by scoring more points in the Suburban League meet than all the six other league teams combined. In the last two and a half years Coaches Jackson and Happ have seen their Mermen chalk up thirty-one consecutive victories in dual meet competition against some of the strongest teams in the state.

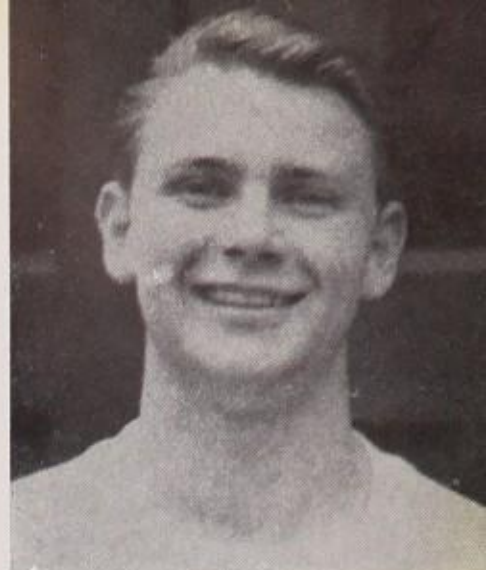

For the final meet of the year New Trier held its first Annual Invitational Swimming Relays. Swimmers came from all over the state to compete for individual honors. No team winner was determined. Due to the overwhelming success of this meet it is hoped that it will become an annual affair at New Trier.

TOM HOUGH

Among the outstanding freestylers were Ben Bricker, Jack Hoetger, Russ Foust, Tubby Ellis, Pete Rinehardt, Bob Norman, Len Sosna, Ted Seiler, Russ Attridge, Hank Slamin, Wally Boyle, and Pete Reece. The fastest fifty yard freestyle time of the year was made by Bricker in the Carl Schurz meet. He swam the amazing time of 23.6 seconds! Ben also broke the pool record at Danville in the forty yard free style, with the equally amazing time of 19.2 seconds. Jack Hoetger won the league crown in the hundred yard free style. Ted Seiler will be the team's mainstay next year in the free style event.

New Trier had two strong breaststrokers this year. They were Co-Captain Tom Hough and Chuck Mack, who took first and second in the suburban, respectively. The most outstanding backstroker was Chuck Wells. He won in every dual meet of the year, with the exception of Danville. Other backstrokers were Co-Captain Don Judsen and Dick Idler.

Louis Ware ably defended his league crown in the diving by winning first place for the second consecutive year. He was strongly supported by Ray and Joe Anthony.

There will be thirteen remaining lettermen on next year's squad when they bid for their seventh consecutive league championship.

Frosh-Soph Track

• This year's frosh-soph thinclads were a great deal stronger than the results indicate. Coach Nay, working with the runners, and Coach Delaporte, working with the hurdles and field events, produced some of the best trackmen in the league. They won easy victories in their first two meets against Sullivan and Maine. However, in the Evanston meet, handicapped by injuries, they suffered a heart-breaking three-point loss. The following week they took second in a triangular meet with Oak Park and Wheaton. In their last home meet, with Evanston, the ponies again met defeat. In the suburban league meet, the team still handicapped with the absence of both Tom Evans, star high-jumper, and Tom Barber, star hurdler, took fourth place, $4\frac{1}{2}$ points out of second place.

The outstanding dash man of the team was Ed Devlin, who was first in the suburban league. He is the fastest dash man the team has had in three years. The star high jumper was Tom Evans, who came close to breaking the frosh-soph high-jump record. The hurdles were taken care of by Tom Barber and John Spink, who took a third in the league lows. The shot putters were Ogden, Harvey, and Breuer, who was second in the league. The broad jumpers were Smith, Wood, and Bob Ludford, all of whom were freshmen and should go a long way next year. The two star 660 runners were Ed Fee and Tom Kent, both of whom were among the best runners in the league. The relay team, of Devlin, Torrey, Wood, and Smith, was undefeated in dual meet competition and was second in the league. At least half the squad were freshmen and next year's team should be outstanding.

Varsity Track

• For a number of years the New Trier Track teams, under the magnificent coaching of "Uncle John" Nay and Paul Delaporte, have been among the top three teams in the league; this year was no exception. In the first two meets the thinclads won easy victories from Sullivan and Maine. Their third victims were the mighty Evanston thinclads. Although New Trier won, it was in this meet that their weakness in field events came out and continued to hamper them for the remainder of the season.

In the following meet, however, they were second in a triangular meet with Oak Park and Wheaton. In the last dual meet of the year the Naymen again trounced Evanston by a mere three-point margin which wasn't gained until the relay team won in the last event.

In the suburban league meet, New Trier had its chance to avenge its defeat from Oak Park. However, due to some tough breaks the team took third place behind Oak Park and Evanston, only $7\frac{1}{2}$ points out of first place.

The only two first-place winners in the Suburban were Co-Captain Jim Warfield, who won the sixty-yard low hurdles and was second in the sixty-yard highs, and Ruph Hansen, who won the sixty-yard high hurdles. Charley Berringer was fourth in the lows. Warfield was the high-point man through-

out the indoor season. Johnny Lundin and Co-captain Dave Allison took second and third in the half-mile, respectively. Allison has clipped our field-house record in the 440 by two tenths of a second with the amazing time of :56.6. The four-lap relay team, of McQuide, Hughes, Allison and Compere, although disqualified in the suburban, was second in the more important Oak Park Relays by only two-tenths of a second.

In the Wheaton Relays, the thinclads captured third place against the strongest teams in the state. The low hurdle shuttle relay team of Warfield, Hanson, Berringer and Munson, broke the meet record by two-tenths of a second. Allison, Compere, Betcone and Hughes broke the four-lap record by one and six-tenths of a second. The high-hurdle shuttle relay team of Meyers, Frelove, Warfield and Hanson, and the football relay team of Guinan, Sinclair, Seiler and Meyers, also won first places.

● The Varsity Baseball team of 1941 had just completed its fifth game of the season as Echoes went to press and although they had won two of these contests, the Gray-Green banner was floating in last place in the Suburban League.

Walter Aschenbach again took over the duties as baseball mentor, and aided by eight returning lettermen promised to turn out a powerful aggregation. The squad was noticeably improving in hitting and fielding with

every game and promised to give its opponents a real battle during the rest of the season.

Various combinations were tried by Coach Aschenbach before the opening game and with the season in progress, new faces appeared in the line-up.

Captain Dick Fuller took over the duties of first base and seemed to have the situation well under control. Marty Searcy was an able replacement whenever called upon and holds high promise for next year.

The catching department was well taken care of by former infielder Don Hamley and Charlie Guy. Jim Warren also added his able assistance. Don's arm was one of the most feared in the league.

Patrolling the outfield were Dick McGurk and Rodney Schweger, returning lettermen, and sophomore Jackie McIntyre. This combination added much to the power at the plate and turned in creditable performances. Reserves Ellis, Farmer, Peterson, and Welter showed to good advantage when used.

The pitching department was one of the best in recent years but weak support had to be straightened out before its effectiveness was shown. Bobby Clark, Grant Dean and Keith Jackson all took their turn at the mound and were aided by Phil Mark, Tommy Brockmeyer and John Bower.

The state championship tournament, held for the first time this year, gave the diamond men a good opportunity to show their abilities.

● As the Echoes goes to press, we see the Frosh-Soph Baseball team swing into action. Although they lost their first game, Coach Grater has high hopes for his team. He bases his hopes on his returning lettermen and a few exceptional freshmen.

The team is fairly well balanced, with a good infield and an outfield that is equally promising. Thatcher, a letterman, will in all probability handle third base. He is an excellent fielder as well as a power hitter. The shortstop position will be handled by Gene Hasselberg, another letterman. Hasselberg is a fast-moving player with a good arm and a hard hitting bat. The second base job will be in the hands of Rodger Spielman. Wilbur Hopp will take care of first base in his capable manner.

The pitching staff is one of Coach Grater's problems, but he seems confident that the material that he has will carry him through the season with flying colors. The pitchers include Rus Kusmertz, a letterman who is expected to be the mainstay of the pitching staff, Jacobsen, White, and Freshman Mayer. The catching positions will be filled by Richmond, Zick and Harvey.

The outfield positions will be held by MacFarland, Titus and one or more of the hitting pitchers or catchers.

The Frosh-Soph is in reality the team that gives the young players a chance to play the game and get experience for the days when they will be playing Varsity baseball. Coach Grater can be thanked for turning out many players that developed into Varsity material, and as has been said many times before he does his job well.

Varsity Golf

● New Trier's outstanding Golf squad turned in another championship season. They overwhelmed most of their opponents in match play, winning by lopsided scores. Coach Aram had excellent material to work with. He had three returning lettermen, Capt. Aldo Mezzetta, Bob Chew, and Oscar Olson who were number 1, 2, and 4 men, respectively. Sophomores Graham Davis and Bud Judson completed the first fivesome. Both of these boys are outstanding prospects for future years and with Capt. Mezzetta also returning, next year's outlook is just as bright as was this year's. The other members of the squad were Jim Wilson, Pete Gillengerten, Den Scully, Bill White, and Bud Lattanzi. All except Wilson will be back next year.

New Trier started the season off with a bang winning their first five matches with little difficulty. Then came the traditionally difficult encounter with Highland Park. The Terriers managed to eke out an 8 to 7 victory over the Parkers, thereby avenging the defeat at their hands the year before and practically cinching the Suburban League title for the third year in a row.

The average of the squad this year was around 81, one of the best high school golf averages in the state. Capt. Aldo Mazzetta turned in the best score of the season, a 75.

Varsity Tennis

• We do not have all the scores as the season had just started when the Echoes went to press. So far the team has been very successful; however, we cannot be sure of the final results. The team has easily approached previous standards and a strong finish is hoped for.

The team won the District meet and every game up to the present time except one practice game with Crane. Mr. Clader, the tennis coach, has had much experience in the game and was of valuable aid to the team.

Among the outstanding members of the team this year are Paul Greenberg, Howe Atwater, Bob Davis, Andy Goodrich, Pete Kreer, Dick Weisberg, and Joe Anthony.

The manager this year has been Ed Mann who very ably filled his position.

Last year's team won the Suburban League Meet and since many team members returned this year we believe the squad will repeat this triumph.

Boys' Intramural Sports

• The year 1940-1941 again proved the popularity of Intramural sports at New Trier. This was shown by the very high enrollment in every activity presented. Mr. DeForrest Showley, the successful director of I-M sports, was primarily responsible. However, these contests could not have been carried through without the help of the Sports Club. Most active in the club were three senior managers and high point men Bill Misch, Bob Stordeur and Howard Trienans. Mr. Showley had so much faith in them that he turned the entire management of I-M sports over to them for one week, late in April.

FALL

The Fall season started off with touch football. Mr. Gannaway's seniors overcame Mr. Bridges' and then took on Mr. Gadske's junior champs. After an exciting game, Gannaway finally pulled through to win the school championship.

Later in the Fall, the individual football skills were held. Seventy boys entered these contests. From Mr. DeLay's senior adviser room came "Bugs" Baer who won the punting for distance event by booting the ball 56 yards. Bob Chew, a fellow advisee, turned out to be the best drop kicker. Mr.

Third Row: Heavy Weights — Ball, Cloud, Guy, Carruth, Child.

Jones also had two winners. Jim Schwietert rolled up 60 points in punting for accuracy, while Bob Childs did 11 seconds in running for time. Not to be outdone, a junior, LeRoy Moeller, came through in the passing for accuracy contest.

Two Rau men, Corra and Maneck, took the horseshoe doubles tourney and a junior, Austin Moore, the singles. In golf, Jim Wilson and Bob Judson took first and second respectively. In the racquet division, namely tennis, Steve Chase and Hal Jackson worked together to win the doubles, while indoors, a sophomore, Ted Kassel, withered all opposition in the table tennis singles.

WINTER

When the temperature dropped, the basketballs were pumped up and put into hard use by the Jones boys who triumphed by first beating Whitby's "A" team and then Mr. Gadske's. In the lightweight division, Reynolds won with Mr. Dempsey's freshmen second. Fred Kilner, a senior, took the first position in the free throwing contest.

Down in the fieldhouse, the activity was just as great. The DeLay team took the one-lap relay away from Aschenbach in 1:17.8. Rau triumphed twice, once in the two- and again in the three-lap relay, 4:39.2. Sophomore Ed Devlin showed his speed by winning both the one-lap in 19.3 and the 50-yard dash, 5.8. The high jump record of 5 feet, 7 inches was set by Al Fargo, while Stan Tate broad-jumped a distance of 18 feet, 3 inches.

As always, there was a large enrollment in volleyball. It did not get started until late this year and not even the class champions were decided when this was written.

SPRING

No spring sports were started soon enough to be mentioned here, but baseball, tennis, golf, horseshoes, and others are played each spring.

Girls' Intramural Sports

● Each day a girl participates in a sport she receives 5 points. After acquiring 100 points and being initiated she becomes a member of G.A.A.

Hockey, the ever popular fall sport, was headed by Hope Harshaw. The Juniors were the school champs. The Illinois team won the Illinois-Northwestern tourney, 1-0. Players were chosen to attend a playday at Country Day School. Several girls from N. T. were selected by tryouts to play on North Shore All-School Girls' Team against Chicago teams.

Dot Karnes led Speedball tournaments that resulted in the Junior-Senior team winning the School Championship. The Northwestern-Illinois tourney declared winner to be Northwestern, 6-5.

The Tennis season included beginners' instruction and class tournaments. The team consists of Champs and runners-up. It won all tournaments held with other schools. The score with Evanston 56-45 was reported by Frances Neilson, head of Tennis.

The Swimming team under Barbara Ramser won the State Telegraphic Meet by 40 points and broke the 40-yard freestyle and backstroke record. The Juniors were champs of the class teams and on their team were three A.A.U. Champions.

Rhythms with Mrs. Dahlke as instructor and Judy Janicki as head presented a dance called "Festival Spirit" at the gym carnival and at Morton High School in a Dance Symposium made up of Chicago groups. The season was climaxed with a dance program given in May.

Square Dancing was a newly organized mixed group under Mary Lamb and Mrs. Dalhke who also took part in the Gym Show.

Basketball recalls to Miss Veach and Mrs. Wells, the Faculty instructors, and Edde Henderson, head of sport, the Faculty-Student game won by the Faculty—by a score of 20-19. The Juniors became All-School Champs by a very close margin over the Seniors.

During the Winter season tournaments in Riflery were staged and from the best targets, Barbara Murray and Mr. Lehman, head of sport and Faculty sponsor, chose the first and second teams.

Marjorie Johnston of recreational sports sponsored tournaments for all girls in the school in Badminton and Ping-pong. Shuffle-board, Dart Throwing and Indian Club Swinging were all included in the schedule which Miss Abbott organized.

Nancy Larson aided Miss Abbott and Mrs. Wells in carrying on adviser room and class tournaments for Volleyball championship.

New Trier rode at the Northbrook Stables under guidance of Mr. Novak and Nancy Claar, head of riders, who wrote a book on various forms and fine points of riding. The girls displayed the latter at the Horse Show closing the season.

Jerry Langford and Mrs. Wells led Spring Baseball and Virginia Steele led La Cross in League and All-School Championships.

The Golf Season was short in the Fall but in the Spring tournaments were successfully played at Techny Field. Golf has no class managers so Peg Wiltberger carried the responsibility with Miss Veach instructing.

Spring Archery under the instruction of Miss Abbott and sport head Olive Carlson conducted class tournaments with beginners and advanced divided. Advanced winners and runners-up were the All-School Team.

The Freshman Class

• The officers of the Freshman Class are elected on a purely honorary basis. This is due to the fact that they do not have a class party or any other event. Bart Wood is president, Joanne Johnson is vice-president, Ann DeBerard secretary, and Howie Walgren treasurer. In the fall the sophomore girls' advisor rooms give parties for the freshman girls' advisor rooms, the purpose being to make the freshman feel more at home. Also both the boys and girls have mixers with their fathers and mothers. Aside from arranging for the "big sister" parties and the mixers the officers have no duties. The members of the freshman class show great promise as fine sophomores and upper classmen to be. Mr. Reily and Miss Shaw are the advisor chairmen for the freshmen.

The Sophomore Class

• Ed Devlin was elected president of the Sophomore class this year, and vice-president Betsy Etterwind, secretary Barbara Green, and treasurer Jack Redding are the remaining officers. The biggest social event of the Sophomore class was their party, held March 26 in the Dining Hall. Over five hundred sophomores attended. Six senior boys and six senior girls acted as mixers or "gigolos," and before the dancing there was entertainment by some of the more talented members of the class. Besides this large gathering, three smaller parties were given, which were held in the gym and were also for the purpose of having the members of the class become better acquainted with each other. The sophomore advisor chairmen are Miss Hearst and Mr. Grinnell.

The Junior Class

• Sue Miller, president, Lincoln Lippincott, vice-president, Sally Hazelet, secretary, and Dan Hurlbutt, treasurer, of the Junior Class did a very successful job in staging the Junior Prom. The dance was held in the Dining Hall on May 24. Open only to juniors and seniors, it was a program dance as is customary, and no stags were admitted. The proceeds of the dance went toward aiding the seniors in the installation of a new Public Address system which is to be their class gift. The Junior Class is proud of its outstanding participation in school activities, and the election of fourteen of its members to T.N.T. The advisor chairmen for the Junior Class are Mrs. Brady and Mr. Vernon.

T. N. T.

• The highest honor that a New Trier student can receive is that of being elected to T.N.T. The letters T.N.T. stand for the latin phrase, Tenax, Nobilis, Triumphans, which means Steadfast, Noble and Victorious.

Fourteen juniors and twenty-six seniors were elected to the society this year. They all have records of conscientious and sustained participation in school activity. Only the most prominent workers in school are elected because T.N.T. does not attempt to recognize all the services rendered to the school. It seeks only to recognize the most outstanding work done by juniors and seniors. Because of this, T.N.T. is considered the highest honor a student may attain aside from the Triship and D.A.R. awards, which are won by only two students.

The members of T.N.T. were elected by the juniors chosen last year. This year's officers were Bob Dodds, president, Anne Wuichet, secretary-treasurer. The sponsors are Mr. Windoes and Miss Hadden.

Honor Society

● The Honor Society is the ultimate goal of those who hope for high scholastic records. This year, as always, the students upheld the high scholastic standing of the school by admitting to the society eighty-six students, thirty-nine boys and forty-seven girls. These students have all attended New Trier for at least three semesters and have maintained an average of 3.20 or higher. The highest ranking student in the senior class is Mason Gaffney with an average of 4.00 for his four years work. To these students goes much of the credit for making our scholastic standing what it is today.

CHANCELLOR

● Au Revoir, Class of '41 . . .

Look back over four years — four short years, crowded with memories. Remember that September morning in '37 when you first became a part of New Trier? From the moment you walked through its doors as inexperienced freshmen, you seemed predestined to become a class of great leadership, energy, and ambition. You have fulfilled this destiny. You have upheld the principles of democracy on every occasion. The spirit with which you have made constructive criticisms and carried on open discussions of school problems will be an inspiration to future leaders for years to come. Through your sincere interest in New Trier activities, school loyalty has reached a new high. As a result of your enthusiastic efforts to offer the students an insight into various fields of vocation, the Career Guidance Exhibit was created; and due to the ceaseless labor and careful planning you gave to the exhibit it will soon join the ranks of traditional events at New Trier.

Each new task that you undertook was given your undivided attention, and was set aside only upon completion. Your charity drives, forums, dramatic productions, opera, talent show, and Gym-carnival were conducted and carried through with an excellence that will be difficult to parallel in future years. You completed your four years appropriately with an unforgettable Senior Hop. Your scholastic record, your mature attitude, your fine spirit and co-operation have served to make you an object of pride and inspiration to both school and community.

And now we have come to the parting of the ways . . . you are standing at the crossroads — no longer a part of New Trier as a body, but always a part of her in spirit. It is with pride that we say good-bye and send you out into a new world. For you have left your mark on the construction and development of a finer spirit and higher ideals among our student body, just as you will leave your mark in every successful walk of life . . .

Au Revoir, Class of '41 . . .
